STATUS of Jefferson Elementary School Supt. Henry Z. Weibel (third from right) will be on the agenda of trustees next Wednesday night when parent and teacher groups ask the board to authorize a professional board to review the dismissal of the superintendent. Only Lewkowitz has indicated he wants fellow trustees to reconsider their decision.

Trustees Eye Showdown On Hearing For Weibel

Six Architects Seek New High School Contract

High school trustees have trimmed down the list of architect candidates for the proposed Linda Mar school to six firms, Supt. Ed Morgan said today.

The interviews will continue in special sessions on March 14 and 17, with final selection probable at the board's next regular meeting March 24.

Next Monday's scheduled board meeting was cancelled due to the American Association of School Superintendents' convention, this Saturday thru Tuesday, in San Francisco. (Continued on Page 2)

3 CANDIDATES FOR ELEMENTARY SCHOOL BOARD

Three names are on the candidates' list for the May 20 election to determine two seats on Jefferson Elementary school board.

Incumbents Hartley Appleton, 1 El Portal way, and Mrs. Doris G. Wimberly, 892 North Mayfair, seek re-election for three-year duty. Third candidate is Arthur J. Hulse, 43, of 151 Abbot avenue. He works as estimator for a steel-iron company and is past president of Hillside PTA.

Attorney Appleton, board chairman, is completing his first term on the board. Mrs. Wimberly, a housewife, was appointed last year when trustee Henry Kraus resigned.

The five-member Elementary school board will weigh the fate of Supt. H. Z. Weibel next Wednesday night (March 12) when parents and teachers, in separate groups, will ask them to reconsider their unanimous vote to dismiss the district's chief executive.

The showdown session will start at 8 p.m. in the district office, 48 Park Plaza drive, second floor.

The petition-circulating parent group, led by spokesman Martin Orloff, wants trustees to call in an impartial professional board of review, staffed by educators and a representative of the county schools office. A reliable source also said the district teachers' association would go on record to keep Weibel on the job at the expectedly heated meeting.

Lewkowitz Alone Only one board member, Joseph Lewkowitz, reportedly is ready to consider a new "hearing" for the superintendent. The other four, denying that their action to terminate Weibel's contract after June next year "misrepresented" the wishes of the majority of the district residents, have given no indication they will heed the protests for a board of review.

Lewkowitz went along with fellow trustees in the December notification to Weibel that his contract would not be renewed after the subsequently authorized one-year extension to June next year. But in an open board meeting last month, (Continued on Page 2)

Five elementary school district officials Wednesday headed for Sacramento, hopeful that a long-delayed \$267,000 state loan for the M. Pauline Brown school would be granted by the allocations board.

Bickering over size of the site forced trustees to readjust its acreage. They finally settled on 13.6 acres for the K-6 school, 8.6 of which will be level.

The two JESD K-6 sites in the St. Francis Heights development also have been tabbed for re-study by the state departments of planning and finance.

Accompanying Supt. H. Z. Weibel to the state offices were architect Mario Ciampi, engineer Don Coleman, trustee Michael Callan, and Asst. Supt. David Shapiro.

Three Saved Seven

GRATITUDE for the life-saving efforts of three Daly City policemen is written on the faces of the Everett W. Taylor family, following their dramatic rescue last week. The officers removed the Taylors about 3:55 a.m. from their fume-filled home, 474 North Parkview, after carbon monoxide fumes from a faulty gas heater threatened suffocation. At left are (standing) Officer Jerry Galindo and Sgt. Bruno Concl.

Citizens Mull City Hall Sites, Water Planning

Citizens' Committee for city master planning Monday night accelerated its quest for a new civic center, water department improvements, and selection of a new fire station in lower Westlake.

The city hall site group seeks an appraiser to draw preliminary reports on five considered sites, authorized by council outlay of \$250. An engineer and draftsman, okayed at a cost of \$1500 to the city, also will be hired to map water system master charts. The Palisades reservoir is priority project in this move.

Fire sub-committee recommended a new fire station site south of Westmoor High on the Doelger property adjacent to the McKee subdivision. Both buildings, agreeable to the new fire house, have been asked by the city to exchange property so that one station, three lots in size, can be built. McKee is committed to two lots, and Doelger one for the station.

Next city citizens' committee meeting Monday, March 17, city hall, will include progress reports on the water system and the city library site.

CONSTRUCTION IN FEBRUARY PLUNGES HERE

Construction in Daly City sagged during February, with total valuation on new buildings hitting only \$369,531 as 49 permits were issued.

For January, by comparison, 67 permits covered \$418,659 in new construction. A year ago in February, 46 new dwellings boomed the monthly total to \$510,481.

Twenty-five new homes and four new apartment projects (Callan and Dolan) comprised the bulk of last month's total.

The permit breakdown:

Twenty-five new dwellings, \$197,423 valuation, four apartments (20 units), \$123,228; one church (first unit of Emanuel Evangelical United Brethren, Westlake), \$32,000; eight dwelling alterations, \$5575; one fire-damaged building repair (Mission street), \$5000; three commercial alterations, \$4055; six neon signs, \$1800, and one retaining wall, \$450.

3 Church-Box Thieves Jailed, Fourth Hunted

Three of the four suspects in last week's theft of \$150 from two poor boxes at Our Lady of Mercy church are in police custody today.

Fourth member of the gang, operating from the Hayward area, has been implicated and is being hunted.

Father Richard Power called police Monday afternoon, February 24, after he found that both wall boxes had been raided. A homeowner nearby said she saw four youths speed away from the church. A license check aided the investigation by Sgt. August Beassini and Officer Phil LaBruzzo.

Held by SF police on a similar charge is John Mitchell, 23. In county jail is Russell Boyken, 21, Menlo Park barber who also is a narcotics suspect. Daly City police booked the third member, Edward Redmayne, 18, this Tuesday.

All four have long criminal records.

City Weighs Pacifica's Dump Bid

Pacifica's proposal asking Daly City to share its fill-and-cover dump site at Mussel Rock will be considered next Monday night by the city council, Manager Howard Stites said today.

The Coastside Scavenger company, whose dump contract with the county located behind Linda Mar on the old Bernardi ranch, expires July 1, last week got the Pacifica council to "sound out" Daly City officials on sharing the DC Scavenger company site.

Stites said the DC council has not pondered the matter, and that he would consult with Al Sereni, DC Scavenger company owner, to discuss the Pacifica proposal.

"We would have to know what kind of an arrangement could be worked out, if the sharing plan would reduce our dump capacity, and if it would represent a saving to Daly City," Stites said.

The mutual agreement, Stites added, appears feasible, since Daly City has asked Pacifica to consider maintaining and keeping its end of the road open when the state abandons Coast Highway in April.

If Pacifica decides to close off its portion of the abandoned road, Daly City's only access to its dump would be the land-slide-threatened north route, or an alternate Daly City road to the dump would have to be constructed.

Sereni said he had not heard from the Coastside scavengers, but "would be willing to talk with them."

Ironically, last year Daly City officials were blasted by a Pacifica newspaper when Sereni asked Coast scavengers to consider letting Daly City use the Linda Mar dump site. His proposal then was similar to the one Pacifica now has submitted to Daly City.

PETITION DRIVE

Westlake Mobilizes Anti-Freeway Forces

Unanimous for immediate action, by all Westlake residents and from the city council, Westlake Improvement Association directors Monday night stepped full throttle in their "Fight The Skyway" battle.

An overflow crowd joined the board and five city council hopefuls in voicing the "call to combat" against the State Division of Highways' Alternate

A proposal for a "community-wrecking" Alemany freeway between Junipero and Skyline.

Bill Silver, backed by fellow director Andrew Baffico's statistical rundown on "how the freeway would ruin Westlake," re-flamed the association's early February proclamation for an all-out petition protest move to keep the freeway out.

Solid Front

Silver, chairman of the association's anti-freeway committee, urged all Westlake homeowners to consolidate for a massive protest, directed through elected representatives both council and state-wide. His committee and Westlake groups invited to form the nucleus of the movement, have set another meeting for this Friday night at 95 South Mayfair.

Stating that "we in Westlake are only interested in fighting this one freeway—before it's too late"—Silver and directors indicated Westlake would cooperate with the newly-forming city committee opposing the (Continued on Page 2)

BONDS-STATE AID

Schools' Future Rides At Polls

Authorization to borrow up to \$7 million from the state and to sell \$1,300,000 in local bonds is requested at the Jefferson Elementary School District special election March 18, according to Mrs. J. D. White, chairman of the "Citizens' Committee for Needed Schools."

The elementary school district has two schools being completed this spring. Eight more are in various planning stages, plus a three-room addition to Olympic school A seven-

th-eight grade school will soon also be needed. These buildings are required to house 10,807 elementary students expected by 1962, double the present elementary enrollment.

To continue this building program, money is needed. Financial aid for construction can be secured from the state only if the school district remains bonded to its legal limit. The March 18 election is being called

to authorize both the necessary bonds and the request for state aid.

Neither the bonds nor the state aid money will be used until needed for specific construction. Since our local tax for bond redemption and loan repayment is already at its maximum as set by state law, it cannot be increased by this measure, and it will not be decreased if the measure fails.

A two-thirds "yes" vote majority is required for passage.

Going, Going... Soon Gone

SIDEWALK "officials" this week watched the old Daly City theater on Mission crumble towards oblivion as workers stepped up demolition to make

Johnstone Wins Long Fight Here

Former Daly City police officer David H. Johnstone Jr., 41, fired from the force 2½ years ago for his alleged "friendship with a local gambler," last week won his lengthy battle for reinstatement.

The supreme court paved the way for Johnstone's triumph by turning down a petition filed by the city, asking for a review of the case.

The higher court thus upheld the January district court of appeals' reversal of the earlier supreme court verdict favoring Johnstone's dismissal by the council.

Personal Victory The "final say" by the state court last week represented a personal victory for Johnstone's attorney, John J. Fahey, who represented the ousted patrolman from the start.

It also could have effects in the current political race, since three of the incumbent candidates joined Mayor Joseph Verducci in the 4-1 vote to fire Johnstone in May of 1955. Only then-Councilman Edward J. Dennis, running for office again this year, backed the officer, believing that the "evidence against him was insufficient."

The Johnstone case started after District Attorney Keith Sorenson wrote Police Chief Roland Petrocchi that his office would not permit Johnstone to work further on bookmaking investigations here because of his alleged friendship with a "known gambler," Sorenson said.

Personnel Board The personnel board, on council direction, held a series of hearings on the case, then recommended that no action be taken against Johnstone because the "evidence was insubstantial."

But the four councilmen—Verducci, Del Wilson, Michael De Bernardi and Sanford Vickers—overruled the personnel board decision, and fired the officer.

The 4-1 vote touched off a recall move against the four councilmen, but the attempt to unseat them failed by convincing margins.

The January district court reversal ordered Johnstone reinstated to his police job, and entitles him to accrued salary from the date of his ouster—less the money he has earned since then as a truck driver.

City Manager Howard Stites today said he expected Johnstone back on the police force, and "I am sure the council is in favor of his return."

City Attorney Paul Hupf and Fahey are working out a pay settlement for the officer, who lives at 184 San Diego avenue.

WATER OFFICE NOW LOCATED ON WELLINGTON

Daly City's water office occupied a new headquarters this week, following a transfer of equipment from the former site at 6328 Mission street.

The new office is located at 3 and 5 Wellington avenue, adjacent to city hall. It has been leased to the city from John Fahey Jr. for \$225 per month.

Also housed in the new headquarters are the accounting and license bureau offices. Daily hours are 8:30 a.m. to 5 p.m., Saturdays and Sundays excepted.

The council split, 3-2, on shifting to the Wellington address. Michael De Bernardi and Francis Pacelli opposed the move. The Mission street lease amounted to \$200 a month, but the city would have had to foot the cost of needed alterations.

7 Attorneys Scramble For Muni Court

(Continued from Page 1)

and Conrad Reich, 34, Antonio J. Gaudio, 46, of Millbrae, completes the list.

Bocci is leaving the northern municipal district job to run for district attorney in the June primary against Keith C. Sorenson.

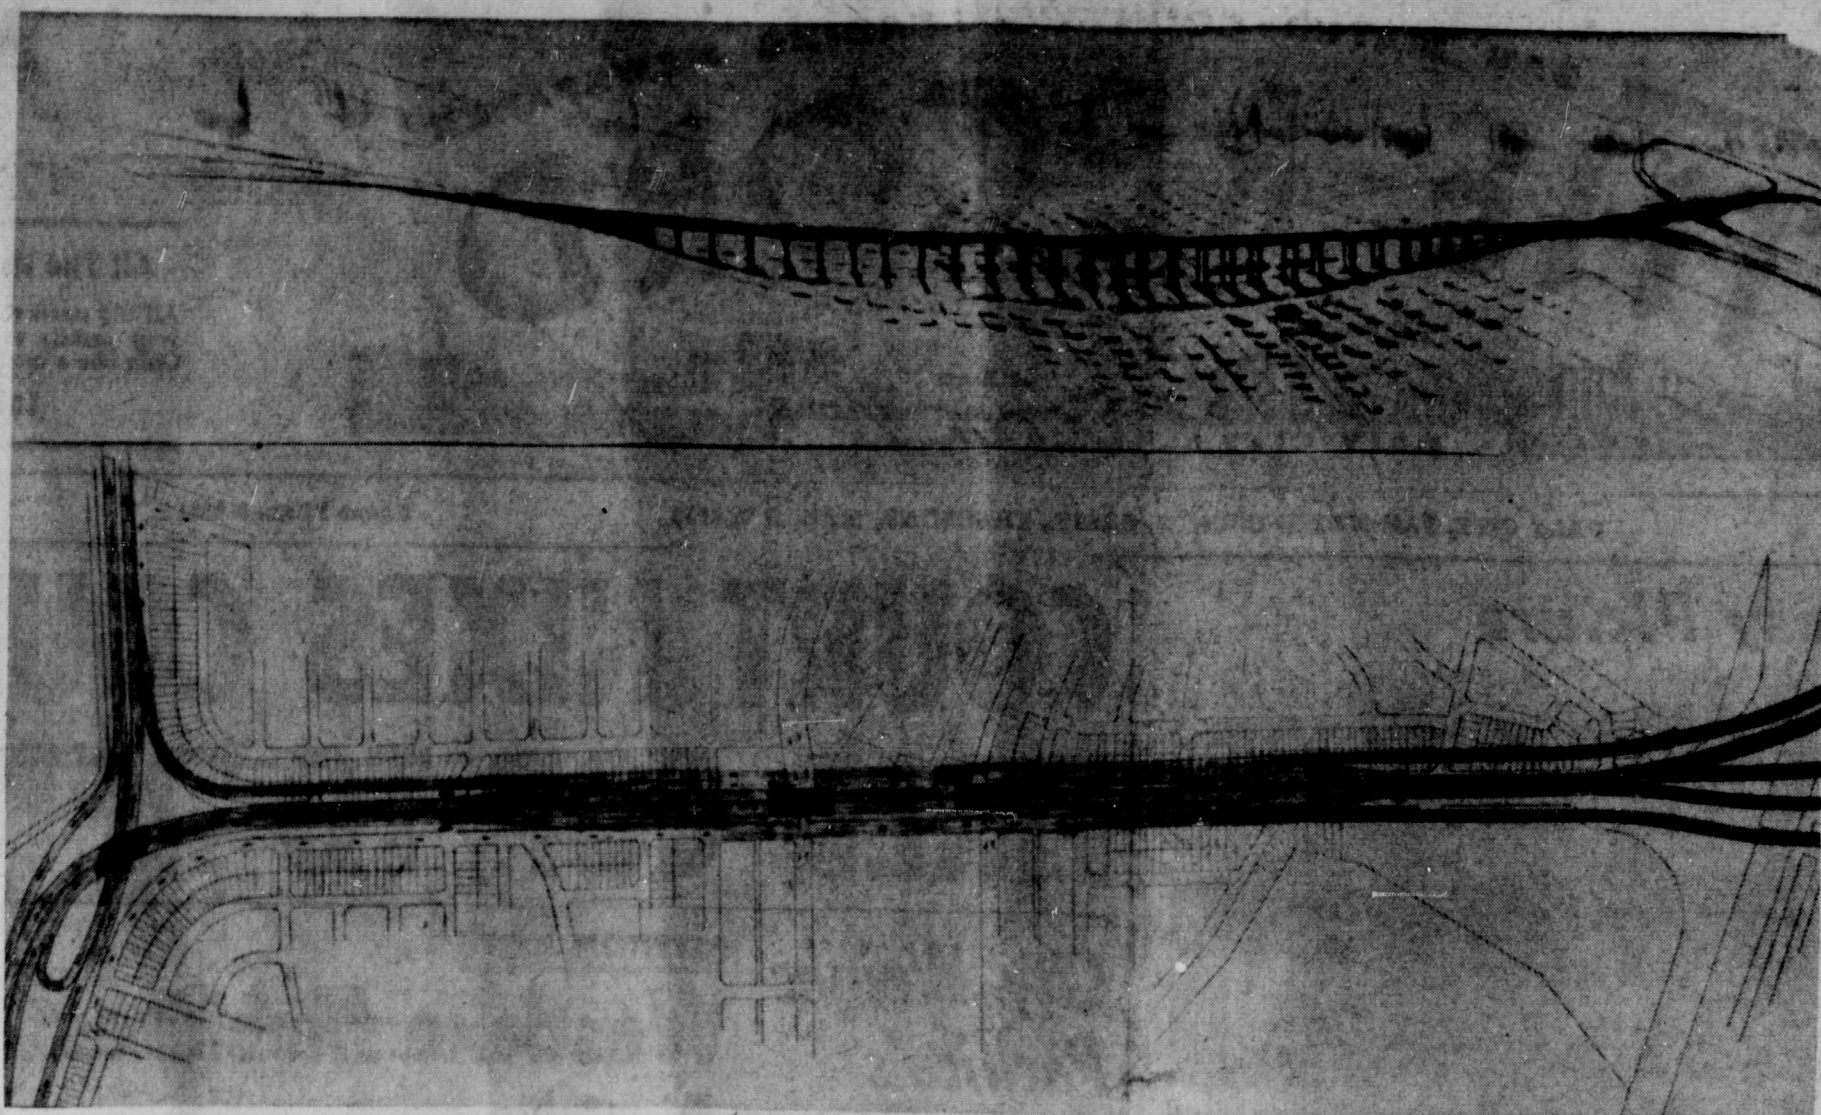

Earlier, Bocci said he intended to resign and let Governor Knight appoint a successor to the muni bench. But the judge from Colma changed his mind and decided to delay his resignation, "giving all candidates for my job an equal chance at the polls."

City Attorney Paul Hupf, rumored replacement and well-backed for the muni appointment, decided against running for the judge's chair.

Of the seven in the muni court race, only two, Gaudio and Putkey, are Democrats.

The other incumbent judges in San Mateo county are unopposed in the June election. They are Superior Judges Edmund Scott, Frank B. Blum, Wayne R. Millington, and Municipal Judges J. A. Branson, Edward McAuliffe and Edward J. Ryan.

Filing period for district attorney hopefuls opens this Wednesday and ends March 28.

Alemany extension freeway. But, hinting that Westlake "might be voted down in city committee anti-freeway representation," the association proclaimed it would work swiftly as an independent group to prevent "quickie action by the state" and "sidetracking by special interests."

Council candidates pledging support in the freeway fight were Gerald Colvin, Edward J. Dennis, Edward Murphy, and incumbents Sanford Vickers and Del Wilson.

Wilson, replying to Silver's statement that Westlake would virtually "go it alone as we did for traffic signals," said he wondered why the council should include the association on its (city) committee against the freeway, "if you plan to carry this primarily as a West-

lake protest." Silver answered that the association "will demand council action specifically against the state's proposed Alemany freeway. We want it clear that our only target right now is this Westlake 'skyway,'" declared Silver.

Door To Door
The WIA freeway committee will conduct a door-to-door petition appeal to all Westlake units, asking for a solid front against the state proposal.

Another Westlaker, Councilman Francis Pacelli, heads the council-appointed fight freeway committee. He will call an organizational meeting of representative city leaders and groups this week or next.

The council, as Wilson told the association, is strongly against the Westlake freeway. Both the association and coun-

cil feel the other state proposed route, north-south along Junipero Serra, is inevitable.

Vickers told the gathering he would demand the division of highways forward to Daly City all its proposed freeway plans. "to date," he said, "we don't even have all the facts."

White Street
In other main business Monday night, the association authorized further study on a protest by residents on Fairway drive asking that WIA change its endorsement for the White street extension, which would link Broadmoor to Westlake.

Robert Hirsch, 15 Fairway, a spokesman for the Fairway group, said the link would endanger safety of children and reduce property values. Baffico advised that the association had adjusted its plans, demanding that when the extension becomes a reality, certain traffic safety commitments would have to be guaranteed by the city and county.

Directors also asked for additional study in their long-standing move to get council action on the Westlake "hump" the eyecore Ocean Shore right-of-way property.

On suggestion of Dennis, the association also moved to ask the county health department to take new bacterial tests on the "standby" Palisades reservoir. Dennis cited the council's "lethargy" in attending to the reservoir, "a crucial problem to Westlake," he said.

Trustees Eye Showdown In Weibel Case

(Continued from Page 1)

Lewkowitz said he thought the edict to oust Weibel "was unfair, in view of the superintendent's achievements since he took over eight years ago."

Weibel, who said he was "deeply disturbed" over the present squabble "due to its reflection on the school system," today indicated, however, that he would be willing to consider staying on as chief "if it is the desire of the board and patrons of the district."

The 53-year-old superintendent, in a prepared statement, commented:

"Many patrons and teaching staff members of the JESD have recently indicated faith and confidence in the administration of the schools from the year 1951 to the present. It is very gratifying to me to observe this positive interest."

"My contract status with the board of trustees, if it is the desire of the board and the patrons of the district for my contract to be changed to the usual four-year term, I will be pleased to continue to serve the district."

"Harmonious working relationships are essential in the affairs of a school district. It is my desire to keep the local schools a pleasant organization for parents, teachers and children—as it has been in the past," he concluded.

Salary Question

Only a few months prior to the December "firing" decision by the board, trustees raised Weibel's salary to \$14,000 a year, and at the same time set the annual pay of his two administrative assistants at \$12,000 each.

Individuals backing the superintendent challenge trustees specifically on this move, claiming that the salary hike "would seem to indicate that they (the board) were satisfied with Weibel's work."

Also, the pro-superintendent faction believe the board's "pinpoint" reasons for dismissing Weibel "have not been clearly defined."

THE ROCKY ROAD TO PROGRESS

This month well might qualify as the most momentous March in Daly City's 47-year history.

Our community is battling the state on freeways, the council on tax, feuding over the dismissal of a school superintendent, facing a crucial school bond-state election, in the midst of a hot council campaign, and on the eve of the first anniversary of a quake that won't be forgotten.

Let no outsiders say this town isn't involved in all the problems of Americana.

Sales tax, unless citizen petitioners get a "reprieve" at next Monday's council session, will hit our pocketbooks on March 14—one week away.

Next Wednesday night, backers of Supt. Henry Weibel await the verdict of trustees on a requested hearing for the administrator who has devoted eight years to the elementary district here.

On Tuesday, March 18, residents are asked to vote "yes" on sale of \$1,300,000 in school bonds and a new \$7 million building loan from the state. If this project fails, double sessions may be replaced by triple sessions for elementary youngsters.

Until ballot time, April 8, the 11 council hopefuls will be laboring past midnight to convince folks of their qualifications for three city seats.

Meantime, the first birthday of last year's (March 22) earthquake—publicized across the nation—is fast approaching.

We pray nature will not uncork a repeat performance. The people have enough troubles on their minds now.

And don't forget, income tax deadline is April 15.

The tumult and the shouting never ends. This we think is a true tribute to democracy where the "many" have their say.

LETTER-TO-EDITOR

Resident Lashes 'Skyway' Plan

Dear Editor:
I am writing this letter as a concerned property owner in Westlake.

The subject is the extension of the freeway route proposed to be constructed from Junipero Serra down Alemany boulevard to Skyline boulevard.

To the people of Westlake who as yet haven't taken the time to visit the city hall to study the drawings that the State Division of Highways submitted to Daly City for approval, I have prepared from study, a drawing on a smaller scale, outlining this freeway proposal.

I have enclosed for this week's newspaper a drawing of the State Division of Highways' proposal as I see it, an artist's conception of what might happen in Westlake.

As a property owner, I am against this freeway extension down Alemany boulevard. I will do everything in my power to protect the property owners now living and enjoying their homes on North Mayfair. There are approximately 175 homes or more affected by this freeway that will have to be torn down or moved.

This freeway will be an overhead structure starting at Sheffield and ending at Dorchester. The structure will extend approximately 30 to 35 feet in height. Not only will this require moving homes on North Mayfair but the structure will decrease home values, create auto dust and grime, and leave our community a residential district under a freeway.

Some other reasons for opposition to the route: How will our school children go to and from school on the opposite side of the freeway? After the freeway is constructed, there will be big column supports for collections of papers and trash. North Mayfair and South Mayfair will serve as a main freeway by-pass in connections with the two on-and-off ramps up at Dorchester and Sheffield.

We just got our traffic control signals at Dorchester and Sheffield after a two-year fight. What good is it to get these signals and destroy them in less than a year later?

Another thing. How will the traffic control signals be handled at the two on-and-off ramps? The way I see it, if this freeway is allowed to go through we'll have a worse traffic condition at the underpass at Lake Merced boulevard and Cliffside.

To those who haven't seen these drawings, I hope that my time and effort haven't been in vain in drawing these proposals as I see them.

We must not let this happen to Westlake!

To those wishing to protest, I urge them to write the Governor, State Highways, assemblymen, councilmen, and join in the mass protest by the Westlake Improvement Association to fight any freeways whatsoever from ever coming through Alemany boulevard in Westlake.

Get your petition form NOW at 95 South Mayfair to help battle this "alternated" route. Yours letters to the above parties will be the evidence to show the State Highway Department and the Governor that the people in Westlake do not want this concrete monster.

There are many other routes to connect this great Alemany freeway to Skyline. Let's not allow them to destroy our great community.

Study this proposal and understand the great harm that will cause us to sell our homes if the freeway is allowed to be constructed.

Letters To The Editor

W'lake Couple Praise Police Officer Crooker

(Editor's Note: Daly City Chief of Police Roland Petrocchi received this letter last week.)

Dear Chief:

It is with deep appreciation and heartfelt gratitude that we write this letter.

Last evening, our baby became violently ill, necessitating emergency treatment, and a call for help met with immediate response (four minutes) in the person of Officer Robert Crooker. Without any delay he sped our baby and father to Junipero Serra hospital for care, thereby saving our child from a further aggravated condition.

Officer Crooker's actions reflect much credit on your department as well as himself. He was most alert and considerate in this situation, helping us in and out of the car and into the hospital, re-assuring us all the while that all would be well.

This was our first call for city services in the five years we have been in Westlake and hopefully the last under similar circumstances, but since it did occur we are grateful to know that the incident was resolved by a top effort of a well-qualified officer.

Our sincerest thanks to Officer Crooker.

Sincerely,

Charles & Tony Newhoff

AN ANNIVERSARY SALUTE

Spinetti's 'Genuine' Girl Scout Family

By Servat Ojakian

March the 12th (next Wednesday) marks the 46th anniversary of the founding of the Girl Scout movement in America by Juliette Low, and it is fitting and proper to pay tribute to an exceptional Daly City family with a quartet of Girl Scouts at four different levels, with one, the baby, a potential in the offing.

Joe Spinetti, of 57 Muirwood drive, can rightly be proud of his beautiful bevy of five "girls," consisting first of the mother, Mrs. Anita Spinetti, who started in Scouting in 1951 as a committee member; second, daughter Dolores, now 15, a second year Senior Scout in the Mariners' Ship Four; third, Joann, 13, an Intermediate Scout who received her First Class Rank and is completing her Curved Bar; fourth, Ramona, 7, a Brownie in Troop 124; and fifth, baby Patty, 2, the mascot of all the Girl Scout activities, who's rarin' to be a Brownie come five years hence. With all the background she's getting by attending all meetings, camps, and programs with her mother, she's bound to be an A-1, super-duper Scout some day!

How It Started

It all began one day when Dolores, then 8 years old, came home from school and said, "Mother, I want to be a Brownie Girl Scout like the other girls in my class." Upon investigation, Mrs. Spinetti found she herself could become a committee member and because of this, daughter Joann, who was then 6½, was allowed to join as a Brownie, too.

And so, the ball started to roll and for 7 years Mrs. Spinetti has actively participated in and enjoyed the wholesome and satisfying roles of Assistant, Troop Leader, Organizer for Parkview—Sterling Park

Neighborhood, and Chairman of the Junior High Inter-Troop program of the Daly City-Colma District.

That first year, Dolores and Joann enjoyed their first Day Camp outing at Camp Mattrup in Colma so much, that Mrs. Spinetti decided she would attend the visitors' day upon the next occasion. After her 1952 summer visit at Mattrup, she accepted the leadership of the Intermediate Scout Troop 149 and studied, learned, and trained with it for the next four years until 1956. By then Dolores had graduated to the rank of Senior Scout in Mariners' Ship Four.

Another Candidate

She was Day Camp unit leader in 1954. Then in the June of 1955, Patty, the fourth of her girls was born, but all the while she continued her work for the Scouts with tireless energy. When Dolores and the rest of her troop went to Big Basin the following year, 1956, to earn their First Class Badges in troop camping, little Patty, age one, went along and camped out in her play pen. Joann and Ramona went along too, just for the fun of it. The whole family enjoyed the camp-out right along with Dolores.

Aside from her extreme devotion to Girl Scout activities, Anita Spinetti has also earned Honorary Life Membership in the PTA.

Girl Scouting is a family affair. It gives girls the opportunity to do the things they like. They have fun and adventure and make new friends.

There is a place for every girl who is interested in Scouting and with Leaders like

Mrs. Orloff Is North County Crusade Chairman

Mrs. Martin Orloff of 741 Stewart avenue, Broadmoor, will serve as North County chairman in the residential division of the United Crusade campaign for 1958. Her appointment was announced today by Mrs. Ralph Shermund, county-wide residential chairman, of San Mateo.

The jurisdiction of a north county chairman encompasses Bayshore, Brisbane, Daly City-Colma, South San Francisco, San Bruno and Pacifica. Mrs. Orloff and her committee will plan the solicitations of all residences in this specific area during the United Crusade's fall campaign for funds.

In addition to being an avid Crusade worker, Mrs. Orloff serves on the board of the Salvation Army.

The organizations to which she belongs include the Palisades Chapter of O.E.S., Santa Monica, Job's Daughters, Daly City; San Mateo County Democratic Women's Club, and the San Mateo VFW Auxiliary 9921.

Mr. and Mrs. Orloff and their son, Richard, have resided in San Mateo county the past six years.

DANGER AT NIGHT

Stopping your car on the highway at night is one of the most dangerous things you can do, says the California State Automobile Association. Many

Anita Spinetti, who says, "My chief interest is with the girls themselves—to benefit them"—one cannot help but have a most satisfying and happy experience, become a dependable and useful member of her community.

All girls from 7 to 18 who wish to join the Girl Scouts or any adults who wish to help, may phone Mrs. Spinetti, PL 5-2776.

You can count on her. Can she count on you?

The Town Record

By Roy Hurlbert

We had ourselves a belly-busting chuckle this week on Pacifica's proposal to dump Coastside garbage at Daly City's Mussel Rock site.

Quite a "turnabout" for the Coast newspaper. With boring regularity last year, the editor over yonder raised personal cain because AL SERENI, DC scavenger boss, sought to use the area behind Linda Mar for our town's garbage.

Sereni took a lot of petty abuse and sniping for a long spell . . . but he always acted in his usual gentlemanly manner.

Pacifics now wants to share Sereni's site. Our city fathers will give the bid careful thought.

They're always willing to help other communities on mutual matters of concern.

The garbage shoe is on the other foot. At least the Coastside scavenger firm will get a fair shake. And nobody here plans to march against Pacificans to fight their proposal.

Golf sizzler KEN VENTURI, Baton Rouge Open winner Sunday, is always in the news. But metropolitan scribes who get poetic over his brilliance forget that the 26-year-old Westlaker belongs to Daly City. Nationwide, the Venturi yarns list him as an SF pro.

Ken is a genuine local boy. He was born on Willits street, and lives now at 97 Forest Grove.

SF can claim him. But his roots are firmly planted in our burg.

Some guys can't lose for winning. Realtor ART COLVIN walked into the Sports & Boat Show, Cow Palace, last weekend and came out blushing as a new TV star. Seems he entered the place as its 100,000th patron, so his rewards flowed like wine.

Art had his picture snapped for papers and video, got a smooch from a boat-show beauty, and is due a lavish hunting trip, all expenses paid.

The "fight freeway" uproar in Westlake was personified Monday night when CASS NORTON, Westlake Association president, returned to lead the campaign. Cass, 44 Parkwood drive, is still a bit shaky from a recent heart attack. But he figured that time was of essence for a comeback.

Five council-runners had a perfect chance to sound-off at the same meeting Monday. And they did. Every little bit helps the cause, you know.

But a sixth candidate, JESSE LEWKOWITZ, didn't do any politicking, although he was present.

Joe, a school trustee, stayed near the door and meekly handed out publicity urging folks to vote "yes" on bonds and state aid in the March 18 Jefferson Elementary District election.

An admirable effort, considering the circumstances.

Oldtimers 'round town remind us not to forget Daly City's 47th birthday next Tuesday. City was incorporated in 1911. No party invitations as yet, though.

Students Appreciate Newspaper Lecture

Dear Mr. Bradshaw:

We wish to express our appreciation to Mr. Roy Hurlbert of THE RECORD for taking time out of a busy schedule to speak to us on the subject of journalism, and for the many ideas and points of interest he brought to us last Thursday.

We plan to visit your newspaper plant some time in the near future with Mrs. Eloise Johnson, our faculty advisor.

Sincerely,
The Staff of the COLMA COURIER

ACTIVITIES GALORE

Special 'Week' Shows Colma School Spirit

"Knowledge, Industry and Sportsmanship" was the theme of the first Colma School Spirit Week, February 24-28. The week-long activities were sponsored by the Student Council, assisted by the entire faculty.

One or more events were highlights of each day. An assembly under the direction of Carla Gomez, commissioner of assemblies, was held on Monday. Kenneth Adelson, president, Steve Elliott, vice-president, Judy Logan, commissioner of student welfare, Carol Sciaroni, treasurer, Lorraine Storm, commissioner of school spirit, Pat Brice, secretary, Pamela Greenwood, commissioner of social affairs, Mr. LaCava, Mr. Schafer, and principal Dr. B. W. Gerdes, spoke to the student body on various phases of the theme for the week and on the accomplishments of the student council. Emphasis was given to the understanding of the significance of knowledge, industry, and sportsmanship as worthy objectives for the week, and for all weeks to come.

Tuesday's highlight was "Make a New Friend" by means of securing autographs from other students. The prize for acquiring the greatest number of autographs was won by Peter Pollat. Claudia Smith was second, and Lorraine Bottarini, third.

Wednesday was "Camera Day," with students taking pictures that may be submitted to the yearbook staff. A free yearbook will go to those submitting winning pictures in each of three classifications.

Thursday, "Color Day," students wore some article of clothing or decoration in blue and white, the Colma school colors.

Friday was highlighted with field day exercises during the noon hour under the direction of James Schafer, Thomas Pollicita and Joan Hart, physical education teachers. Winners in the various events were, 7th grade: tie between Mrs. Eunice Loewke's class, second with

250. 8th grade: Mrs. Florence Fennessey's class, 350 points; second, Mrs. Beryl Barbee's class, 300 points.

A pep rally was held at the end of the noon hour under the leadership of Lorraine Storm, commissioner of school spirit, and Melvin Durbin, head cheer leader.

After school, the Faculty Terrors defeated the Cool Shakes, school intramural champions from James Davis' room, 17-10, and Colma Trojans, 18-11, in basketball games on the War Memorial court. Contributions to the March of Dimes served as the "price of admission." A total of \$12.83 will be forwarded to the March of Dimes headquarters.

The week's activities were climaxed with a student body dance Friday evening in the school multi-use room with 350 students attending. The student council sponsored this dance. Pamela Greenwood, commissioner of social affairs, made the arrangements. The "Starlighters" furnished a portion of the music and the entertainment for the evening.

The student council provided soft drinks. A total of \$20, the proceeds from contributions for the refreshments, will be forwarded to the March of Dimes.

An important feature of the week was the room decoration, featuring the theme, "Knowledge, Industry and Sportsmanship." Judged the most artistic was Mrs. Fennessey's class room; the most original was Mrs. Cordellos'. Miss Lynch's room won honorable mention.

Said one student, "This has been a good week. I hope we may have other weeks like this." According to Dr. Gerdes, and Lloyd Andrews, vice principal, "a week for establishing greater student understanding of school spirit, and its significance for the student, for the school, and for the community should become a solid and a worthwhile tradition at Colma school."

KIP Kid's 'Bring Down House' In Two Shows

KIP workshop youngsters of Daly City received "wild ovations" at recent performances for the men at Angel Island Nike station and Ft. Funston.

The two shows, according to Director Kay Irvine, concluded KIP's public performances until around the first of April. The organization now is concentrating on intensive class sessions. These consist of story-telling (to train teenagers for playgroups), self improvement, speech, behavior, etiquette, photography, drama, creative dancing, creative writing, singing, citizenship and leadership.

New enrollments are encouraged, and Mrs. Irvine also needs

more adult volunteers for secretarial work and teachers for classes.

Member Gail Vours was awarded \$5 for selling the most tickets for the recent KIP-PAL show at community center.

Other new developments include election of Mrs. Leota Swager of Brentwood to the KIP executive board.

The new KIP photography unit is led by supervisor Wayne Cardellini.

Drama and public speaking classes meet at Mrs. Irvine's home on the second and third Saturdays of each month.

Appoint Forcina To WIA Board

Raymond Forcina, 39, of 80 Lakemont drive, Monday night began duties as new member of the Westlake Improvement Association board of directors.

The new sergeant-at-arms, appointed in closed session, fills the vacancy of director Edward Murphy, who resigned to become a candidate for city council. Terms of the directors expire this December.

Forcina, resident of Westlake for four years, is a furniture division foreman with W&J Sloane company of San Francisco. He and his wife, Grace, are parents of Carmine, 16, John, 14, and Madeline, 7.

Tennesseans 'Like Architect Ciampi's Vista Mar School

Architect Mario J. Ciampi has received a letter from J. R. Faulkner, vice president of the Tennessee Temple schools, requesting full information and a sketch on Ciampi's unfinished Vista Mar school in Westlake.

Faulkner's letter said leaders of his district "were greatly impressed with the unique structure," as publicized in the Chattanooga Times newspaper.

Hart and Hynding contractors were committed under contract to deliver the circular-shaped plant on February 15. But the new Daly City school is more than four months behind schedule.

JOSEPH SPINETTI of 57 Muirwood drive certainly has done his best to advance the cause of local Girl Scouting. His contribution to date is his wife and four daughters

(above), each fully dedicated to the principles of the nationwide organization. Up to the age scale, from left: Patty, Ramona, Joann, Dolores, and of course, mom Anita. No one

would challenge the Spinetti clan's bid for "Family of the Year" in Scouting. Forty-sixth anniversary of the Girl Scouts in America is next Wednesday.

CHARTER presentation ceremonies for the Daly City fire department's Boy Scout Troop 65 were held last week before a standing room only crowd of 200 at Firehouse No. 5, Willard Barton, organization and extension chairman for the Lake Merced Scout district (third from left) is shown presenting charter to Fire Chief Elmer

Kennedy. The new Scout unit is the first in the Bay Area to be sponsored by a municipal fire department. Pictured (left to right) are: Bill Jacobson, Scoutmaster; Superior Judge Frank Blum, who was guest speaker; Barton; Battalion Chief Wayne Alexander, troop committee chairman; Kennedy; the Rev. A. J. Downey, St.

Martin's Episcopal church; Frank Tardelli, captain of Volunteer Fire Co. No. 6, who was master of ceremonies; Howard Stites, district commissioner, who presented Scouts with tenderfoot badges; and the Rev. Roy Millan, Westlake Baptist church.

W-Wilson PTA Extends Fashion Show 'Welcome'

Ladies! Are you thinking about your new spring outfit? Are you tempted by the new "chemise" style, but can't quite make up your mind? Are you sewing a new Easter outfit for your daughter?

If you answer "yes" to any of these questions, then you will be interested in the coming fashion show planned by Woodrow Wilson PTA. At 7:30 p.m. Thursday evening, March 27, in the Woodrow Wilson multi-use room, the PTA is sponsoring a Home-Sewn Fashion Show. Everyone is urged to attend. Better still, plan to join the fun. If you sew and would like to be in the fashion show, contact Mrs. L. J. Meaney, chairman, at PL 6-3468 for details.

A talent show will also be on the evening's program, and refreshments will be served. Admission will be 75 cents for adults and 25 cents for children. Tickets will be available starting March 14 from any Woodrow Wilson PTA executive board member or at Woodrow Wilson school.

OLPH Completes St. Patrick's Festivity Plans

Final arrangements have been completed for the annual St. Patrick's day celebration, to be held Saturday evening, March 15, in the auditorium of Our Lady of Perpetual Help school.

Francis Shea, in charge of the dinner which will be served from 5 to 8 p.m., has been assured by Sanford Vickers of the finest supply of corned beef ever to tickle an Irishman's pallet. Karl Kettler of Relish Bakery will bake a special batch of Gaelic larders for the dinner.

"WE'RE VOTING FOR DE BERNARDI" For Daly City Councilman

"We've talked it over at our house and Michael De Bernardi is our choice to carry on the job up at city hall. He's had four years experience and hasn't let up once in fighting for his policies. I like those policies, too. Seems there's a need for cutting down government expenses and the best place to start is in our city. Less administrators, more police and firemen sounds like common sense to me. And what he says about improving the water system is good thinking. He's fought the sales tax all the way and he's against the "strong manager" government. I think he'll do a lot of good in stopping the freeway, too. We don't want to blight our residential area with a skyway ramp. I'm telling all my friends to vote for Mr. De Bernardi. It's just good sense the way I see it."

COLORCAST BY VIDEO TAPE . . . Last Wednesday evening was a highly significant milestone in the great progress NBC is making in the advancement of colored television. The colorcast of "Kraft TV Theater" starring Milton Berle was the first public broadcast of a color program on video tape. We watched the program at a special press conference arranged by KRON-TV at the Leo J. Meyberg Company auditorium over RCA 21" color receivers.

What is video tape? Why is it so important to you the viewer? Simply stated a video tape recorder is a machine which records picture as well as sound on a two inch wide tape. Thus, the sound and picture for a complete TV program can be recorded simultaneously and can be played back immediately. No processing is necessary because the recording is done electronically. Previously we on the West Coast saw many of our programs by kinescope, and the reproduction was usually fuzzy, and not clear at all, particularly in a colorcast.

KRON-TV's Chief Engineer, Lee Berryhill, talked to the group following the telecast.

and said they were extremely pleased with the new tape. As an example he gave a comparison. Taking a live colorcast as 100%—a kinescope was only 50% as perfect, while the new tape was 90% or in other words almost as clear as a live colorcast.

KRON-TV recently received delivery of their new video tape recorders. Although not yet equipped to record color as the machines will tape black and white program which will have all the quality of a live picture because there is no loss in reproduction. Second news and special events can be brought to you with minimum delay because no processing is required. This is extremely important particularly where news is concerned, because they are equipped to have news events on your TV screen practically as soon as it happens. So through your television set you will have a rim-side seat as news is breaking.

So, the television industry continues to make great strides forward and you the viewers are the beneficiaries. Remember you have only to turn on your dial . . . and at no cost to you . . . television programs of constantly improving quality and variety flash across your television screen.

WELCOME TO CHANNEL 2 . . . Sunday afternoon, March 2, is a very important date for bay area television viewers because on that day, Channel 2, KTVU, will begin telecasting at 2:45 p.m. with its premiere telecast, "Special Tribute to the Bay Area." The following day, the new channel will embark on its regular programming schedule.

Operating on a maximum power, 100,000 watts or 100 KW, with the same power now being employed by Channel 4 and 5, the new independent station plans to devote 75 percent of its broadcasting hours to first run movies acquired from Warner Brothers Pictures.

Elaborate new studios and offices are now being constructed in Jack London Square in Oakland. During the interim, the station will be telecasting from a few blocks away in the Paris theater, 1428 Alice street.

The firm that operates KTVU is known as San Francisco Oakland Television Inc., and is headed up by General Manager William D. Pabst and General Sales Manager Ward D. Ingram.

Since Channel 2's transmitter is located on San Bruno mountain in the vicinity of existing Channels 4 and 9, reception should be excellent for our area.

Good luck to the Bay Area's 6th television channel!

CHILDREN'S CORNER . . . Prince Lightfoot, Stanford's famous Indian mascot, is one of KQED's latest stars to shine in a new weekly series on Tuesdays at 6:30 p.m. Dressed in full regalia, surrounded by

Indian handwork, the full-blooded Indian performer charms the bicycle set with his dances and Indian legends. Another fine addition to KQED's ever growing list of outstanding children's programs!

KPIX DOCUMENTARY . . . Again demonstrating its concern and interest in local community problems, KPIX, has been telecasting a series of excellent documentaries "The Road Back" (Sunday 4 p.m.) covering the subjects of civil defense, education and economics. Skillfully produced with on-the-scene reports woven into a dramatic documentary, through the powerful medium of television, the program should have quite an impact on thoughtful viewers, and stimulate them to action. As leaders stressed over and over in the recent Western Television Conference, the trend is to more programs of an informational nature. With such outstanding documentaries, KPIX should continue to be one of the leaders in this vital field.

PLUMBERS PLAN

Looking For A Place To Put An Extra Bath?

Looking around for a place to put an extra bath? Daily City representatives of the Plumbing Industry of San Mateo county suggest a bathroom at the rear of the house with an entrance from the back yard.

This is sometimes referred to as a "clean-up center" since gardening enthusiasts use it for a quick clean-up before re-entering the house after a session with hoe and trowel.

Many homes are being built these days with a covered breezeway at the back running the length of the house. It is no trick at all to enclose one end of the breezeway to provide the space for a bath.

Because of space limitations this is an excellent place to install one of the new small size showering receptor baths. This bath measures approximately 3 1/2 by 2 1/2 feet and stands 12 inches high.

The bath takes only about as much floor space as would a conventional shower stall. The fixture has an integral seat for taking a sitting shower or bathing the feet. A modern lavatory and water closet are the other two fixtures that make this a full-fledged bathroom.

A "clean-up room" should be equipped with two entrances—one from the outside, the other from the house side. An entrance from the house into this bath will enable mother to bathe the children before naps and at bed time without getting the master bathroom mussed up.

Daily City plumbers said that surveys among local real estate brokers prove conclusively that older homes with an added bathroom or a modernized bathroom will sell much faster than others and have a greater increased value than the modest cost of such improvements. They also pointed out that home modernization loans are available from all loaning agencies making modernization possible for low monthly payments.

JOHN DRYE SPEAKS

ON CANDIDACY FOR CITY COUNCIL

In selecting our candidates, we must feel that our leaders are accomplishing something for the benefit of the community as a whole.

In planning a platform to get effective results we must cultivate a positive program. In doing this I must take a position in certain current issues.

1. I am opposed to a sales tax because it is a form of regressive taxation, undesirable and an inequitable tax.
2. We must, through reorganizing our administrative departments, provide economy and effective management.
3. Provide adequate Park and Recreation facilities for our children in conjunction with school play grounds, where possible.
4. The veterans as well as the community as a whole have been deprived of the fullest use of the War Memorial building for which it was designed and built.
5. We must have a plan for facilitating our expanding civic functions, such as a library, fire and police protection.
6. I join the entire community in opposing the Skyline Freeway along Alemany Blvd. which includes North Mayfair.
7. To reach a conclusion on all problems justly and objectively.

JEFF RULES SCORING

Haanen, Ojakian On Scribes' 2nd Teams

Jeff High bagged two individual scoring titles and landed three cagers on the All-Peninsula League first teams, in Saturday balloting by members of the Peninsula Sportswriters Association.

The scribes' varsity choices were unanimous for 6-4 1/2 Center Dennis Marc and Guard Gary Ryan, sparkplugs of Mike Orlich's Daly City five. And diminutive Ino Patron, Steve Mezzer's lightweight forward leader, got a full vote on the all-loop 30's unit.

Marc, bagging 23 as Jeff wound up the campaign Friday in solid second place with a 63-46 win over South City, led PL varsity scoring with 183 points in 12 games, or 15.3 per tilt. Ryan was third behind Burlingame's Bill Saunders. The Panther had 179 points, Ryan 170.

Patron grabbed 30's point-making laurels on a 12-point average and a 144 total.

Rounding out the writers' varsity five were John Condrin, a unanimous pick from Cap, and his teammate, Bill Bowman, a 6-5 hustler.

Second team was headed by Jeff's guard, Barrie Haanen, South City's mighty mites Fred Nebolini and Steve Anderson, Jim Ruona of Cap, and soph Jim Price of Hillsdale. The latter was the lone non-senior on the two teams.

Patron's company as first-team lightweights were: Broadwood, Burlingame; Wilkin and Calhoun, Cap; and Zocchi, San Mateo.

Jeff's George Ojakian, eighth in final 30's scoring, was placed on the second squad, along with Melia (SM), Jim Toner (Hillsdale), Dan Emmett (SSF), and Randy Rothman (Cap).

Tickets are \$1, with proceeds going to Am-Vet Post 53 of San Mateo. One ticket holder will be awarded an autographed 49er football.

St. Clair's court mates include Y. A. Tittle, Billy Wilson, R. C. Owens, Joe Arenas and Ed Henke. Lineup for the Smith team includes such former local stars as Byron Van Alstyne (USC and now Westmoor High teacher), George Walker (California), Kenny Flower (USC), Augie Bullwinkel (St. Mary's) and Joe Greenbach (Santa Clara).

The 49er cagers have lost only to the Harlem Globetrotters and to a potent Fresno valley squad.

Tickets for the game at Capuchino are on sale in Daly City at Ray-Al's Clothing store, 6201 Mission streets. Ducks also will be on sale at the door. But there may not be many left game night.

'Pride Of Navy' Contest Told By Local Recruiter

Chief Leo Polhemus, local recruiting station, announces the kick off of the Navy League-Woolworth-Revell, Inc. "Pride of the Navy Contest," open to any resident of the United States between the ages of 7 and 19.

Contestants must match the illustrated U.S. Navy planes and ships with the names on the list of the entry blank and complete in 25 words or less the following sentence: "I think that building authentic models of U.S. Navy ships and planes is a great hobby because..."

The grand prize is a mystery and only the sponsors know what it is. Called "Sealed Orders," the only unclassified information is that the winning youngster and his dad will be guests of the Navy Buddy Program of the Navy League on an exciting never-to-be forgotten trip, says Chief Polhemus.

The scope of the prize is indicated in that among the over one thousand runner-up prizes is a vacation for two on a Tucson, Arizona dude ranch and a \$3500 swimming pool.

Fleet Admiral William D. Leahy, Rear Admiral John J. Bergen, National President of the Navy League; and Rear Admiral Robert W. Berry, Regional President of the Navy League, are the judges of the "Pride of the Navy" contest being sponsored as part of the National Navy stay-in-school education program by Revell, Inc., and the F. W. Woolworth Co.

The contest, open to everyone under the age of 20, concludes April 15. Free entry blanks are available at any F. W. Woolworth store.

Coach Bob Watt this Friday afternoon sends his Jeff High track and fielders to the Peninsula League relays in San Mateo.

Still not fully unlimbered, the Indians last Friday captured only the C Division in the opening dual meet action against Lincoln of SF here. The Tribe 20's won, 44 1/2-42 1/2.

Lacking high jumpers and weak in the shot and discus, the Jeff varsity lost, 69-44. Watt's B's were overwhelmed, 80-33.

Math Teachers From Westmoor In San Jose Meet

Washington's Birthday was not a holiday for Westmoor High School's mathematics teachers as they joined with math teachers from Santa Clara valley to hear a discussion of the "Illinois Math Project."

The meeting, sponsored by the California Mathematics Council and Santa Clara Valley Mathematics association, took place at San Jose State college.

Dr. Max Beberman of University of Illinois and director of the project gave a graphic description during the morning general session of "How To Teach Math in The Illinois Study," and then answered questions concerning the project. In the afternoon, the convention split into three sectional groups chaired by Dr. Beberman and his assistants, Dr. Herbert Vaughn and Dr. Stewart Moredock, to examine materials developed at University of Illinois and to discuss more intensively the project.

An interesting highlight of the program was a teaching demonstration in beginning Algebra using students from the 7th and 8th grades of Edwin Markham Junior High school of San Jose.

Attending the convention from Westmoor were James Filice, head of the mathematics department; and math instructors Ben Snyder, Douglas McVeigh, Richard Hart, James Jordan and Rodney Crittenden.

LEFTY WILSON SHINES

Tribe Bombs Bears, 14-0

By Roy Hurlbert

Lefty Jim Wilson's two hitter Monday here gave Jeff High's loaded varsity baseball Indians a season-opening, 14-0 rout of Mission High of SF.

A 10-run second inning, featuring Bob Berry's two-run homer to rightfield, paved the landslide over the usually strong Bears.

Returning outfield vets Gary Ryan and Barrie Haanen headed the 11-hit Indian attack with three bingles apiece. One of Haanen's blows went for a triple.

Shortstop-catcher Wayne

Lewis injured his hip in rounding second base after stroking a long double. He is expected back in shape before long, however.

The Indians took a three-

run lead in their half of the first frame, exploded for a 13-0 margin next inning, then managed a single tally in the third. The contest was halted after six frames by mutual agreement.

Coach Steve Mezzer's defending NPAL champs hosted Balboa this Wednesday, and face Poly High at Big Rec this Friday afternoon. Paul Tapia, Jeff's slingshot fast-baller, was scheduled to work from the hill.

The Tribe entertain Carlmont here next Tuesday and Washington of SF two days later, also practice games.

Galileo, Serra Rap Ram Nine In Exhibitions

Westmoor High's varsity baseballers, losers in two exhibitions to date, tangle with Lowell at Big Rec this Thursday, and host Washington of SF Friday afternoon.

Using two teams on a shuttle basis to determine his best men, Coach Rod Losberger saw his Rams lose to Galileo, 8-1, Friday at Funston, and fall 7-3 here Tuesday against Serra.

Carby West, strong right-hander, was tagged with both defeats, walking 8 last week but sharper versus the Padres.

Phil Fair and Dave Simons also worked from the Westmoor hill.

The Rams got only five hits in both games, and their fielding showed early-season shagginess.

Westmoor Cagers End 1st Season In Loop Cellar

Westmoor High's first-year varsity basketballers wound up in the Peninsula League basement last week by losing a 68-48 battle with Hillsdale.

Coach Tony Giammona's always-peppy cagers finished with a 1-11 mark. Their lone win was an early season nod over San Mateo, which squared the count last Friday with a 54-43 victory down south.

Forward Gary Twitty, a late-season flash, finished among the better league pointmakers with 12 against the Bearcats and 10 against Hillsdale. His per game average was just over 10 points.

Dave Simons had 12 and Ross Holmgren 9 in the San Mateo return engagement. Against Hillsdale, Holmgren was high with 12. Bill Dougherty managed 10.

Ram lightweight scores were not available, but final round on the campaign standings and scoring will be published next week.

The Hawks, regular-season champs, won the High School Basketball League playoff Monday night with a 34-33 victory over Watson's Rodents.

Behind at the half, 14-9, the Hawks bore down with Jerry Sullivan and Leon Reece sparking the comeback. Sully had 13 points and Leon 12. High for the game, however, was Rich Barsotti, canning 21 for the tough-luck losers.

Reece wound up as the league's top scorer with 118 points. Barsotti was next, 99, followed by Mike Shultz of the Cave Dwellers with 97.

The Hawks' starting five includes Duke Hoskins, Ron Miller, and Rich McLain. Pat Russo and Dave Garrup were the reserves.

GRIDLEY INVITATIONAL

4-3 League Vote Kills Jeff Tournament Trip

A 4-3 vote by the Peninsula League board of managers last week killed Jefferson's plans to play in the Gridley (California) Invitational basketball tournament this weekend.

Coach Mike Orlich's varsity until last Thursday had high hopes of making the trip, as per earlier agreement with Gridley officials. But representatives of Hillsdale, San Mateo, Burlingame and South City high schools opposed Jeff participation in the post-season affair.

In favor of the Gridley jaunt were Principals John Mongan (Jeff), Glenn South (West-

moor), and the head man at Capuchino.

The board majority held that they were content to let champion Capuchino represent the league in post-season competition. The Mustangs from San Bruno are entered in the Berkeley "Tourney of Champions," which begins next week.

The three pro-trip principals argued that Orlich's team, by making the trip as one of the top entries, would boost PL prestige.

"I think it's a shame," Orlich said, "that we got turned down. The boys really were looking forward to the tourney, and I'm sure we would have won."
